*Thank you to all our students, parents, and staff for making year 29 successful! A big thank you to my family for putting up with my weird work hours, balancing having me as mom and teacher, bringing us cooler of drinks to competition, and all the other things I need help with! Let's give praise to God for all the blessings he has given to us and may we always give Him the glory. Thank you for all of your hard work and may this be the best show yet!*

*Thank you,*
